August Newsletter Highlight: Summer Sizzle by the Lake

We are excited to share that our annual **Summer Sizzle by the Lake BBQ**, held on **Friday, August 15th**, was another fantastic success! Residents, families, and staff came together to enjoy a beautiful sunny day by the lake filled with delicious food, great music, and unforgettable memories. The scenic lake view created the perfect backdrop for a joyful afternoon of connection and relaxation.

A special highlight of the day was an engaging and informative session led by our dedicated staff nurse, **Yami Hart**, on the **All-Care Prevention Program**. Through creative activities and a fun sing-along, participants were able to learn valuable safety tips in a memorable and enjoyable way. We appreciate everyone who took part in this important session to help promote the safety and well-being of our residents.
