RESIDENT'S DAY BACKYARD BBQ

What a fantastic day we had on July 18th at Château sur le Lac! The weather was perfect, with clear skies and a gentle breeze, creating the ideal backdrop for an unforgettable BBQ.

The food was nothing short of amazing—each dish, from the sizzling grills to the delicious sides, was a true testament to the hard work and passion put in by our incredible cook and staff.

A huge thank you to everyone involved for making this day so special. Your team effort made it all come together seamlessly, and the smiles and laughter from everyone say it all.

We're already looking forward to the next gathering!

Whether it is tossing the ring, playing ping pong, or engaging in group games, there's always friendly competition and joyful participation.

🧠 Keeping the Mind Active

In addition to physical fun, we dedicate time twice a week to activities that challenge and exercise the mind.
