

OCTOBER

Pet Therapy – Moments of Joy and Comfort

This month, our residents had the pleasure of enjoying another wonderful session of pet therapy, and it was truly a heartwarming experience for everyone. The gentle presence of our furry visitors brought smiles, laughter, and a calming sense of peace throughout the home. Each resident lit up with joy as they spent time cuddling, petting, and connecting with the animals – moments that filled the room with love and comfort.

It's always amazing to see how much happiness these visits bring. Pet therapy continues to be one of our most cherished programs, offering emotional support, companionship, and a soothing touch that lifts everyone's spirits. We're delighted to continue these ongoing pet therapy sessions as part of our commitment to enhancing the well-being and quality of life of all our residents. 🐾💕

October was a month full of fun, creativity, and festive spirit here at Château sur le Lac! Our residents truly embraced the season with a wonderful mix of Halloween and fall activities. Together, we enjoyed arts and crafts, pumpkin painting, scary mask making, and beautiful leaf art each activity bringing out laughter, memories, and plenty of smiles.

It was such a joy to see how these moments brought back memories of how our residents used to celebrate Halloween and Thanksgiving in the past. They shared stories of family gatherings, favorite costumes, and all the delicious treats that made this time of year so special.

Every day, our home was filled with excitement as everyone looked forward to the next activity. The sense of togetherness and joy truly captured the heart of the season and reminded us how wonderful it is to celebrate life's simple moments together.

As we turn the page to November, we carry forward that same warmth, gratitude, and community spirit ready to welcome the cozy days ahead! 🍂

We are truly grateful for their continued service and for the warmth they bring to our residents every day.

☀️ Enjoying the Last Days of Sunshine

As autumn settled in, our residents made the most of the last few warm and sunny days outdoors. We spent time enjoying the fresh air, gentle sunshine, and beautiful fall scenery, sharing laughter and stories together. Whether it was relaxing on the patio, chatting during afternoon walks, or simply soaking in the warmth, these moments brought a sense of peace and happiness to everyone.

The fresh air and sunshine lifted spirits and reminded us how special it is to enjoy nature's simple gifts before the cooler days arrive. These lovely outdoor moments truly captured the joy of the season and the vibrant energy of our Château community. 🍁

As we say goodbye to the sunshine and welcome November's cozy days, we look forward to gathering indoors for warm drinks, comfort, and meaningful activities together. ☕🍂
